# DRINKS

---

Our love of great wine, cocktails and brews sit at the very heart of the Chin Chin experience.

A constantly evolving beverage list has been designed to entice and delight. Cocktails are as loud and fun as the restaurant, with a wine list that explores local and international talent by the glass, bottle or carafe!

Primarily focused on the cuisine of south-east Asian flavours, beverage pairings are available to suit all palates.

Beverage packages are available or otherwise can be charged on a consumption bar tab.

Selections must be made from our current list prior to your event, and our talented team of sommeliers is ready to assist with selections tailored to your requirements.

Ask our team for our current beverage lists and package options to get sipping.
